**THIS MAP IS VALID ONLY FOR THE NOVEMBER 20 – DECEMBER 14, 2023 and DECEMBER 18, 2023 – JANUARY 15, 2024 WHITE-TAILED DEER ARCHERY HUNT.**  
**AT OTHER TIMES, THE NATURE WATCH AREA IS CLOSED TO HUNTING** (except for other specific hunts for youth or hunters with disabilities).

**The Limited Hunt Area includes two separate sections:**

The boundary of the western Limited Hunt Area starts at the Trace, then goes East along Road 133 to a gated road. It turns South and follows the gated road down to the bottoms, goes through the woods and along an old levee, then follows another road that leads up to a gate at Road 135. It then turns West and follows Road 135 to the Trace. The new boundary from Road 133 to Road 135 has been marked with signs.

The boundary of the eastern Limited Hunt Area are Road 134 on the west side, Road 323 on the north side, and the Lake Barkley shoreline defines the rest.
