

Hunter Use Permits

We require a Land Between the Lakes Hunter Use Permit for all hunters age 16 and older - this is in addition to state licenses and tags:

- Hunter Use Permit \$25
- Combo Hunter Use/Backcountry Camping Permit \$50

Both are valid for one year from date of purchase.

Purchase permits online at landbetweenthe lakes.us under *Reservations & Permits*, at our Welcome Stations, and facilities. These permits will also be available anywhere TN and KY hunting licenses are sold.

Hunter Safety Requirements

All hunters must possess and have proof of successfully completing a hunter safety course according to respective state regulations.

No Pre-Season Calling

Calling or attempting to call turkeys by imitating the sounds of a wild turkey is prohibited by law in Land Between the Lakes from March 1 until the opening of turkey season. Locator calls, such as owl or crow calls, are permitted.

Reduced Road Access

Several public roads are closed to motorized vehicle access from March 30 through the end of turkey season to provide additional "walk-in" areas. Closed roads will be barricaded and highlighted on a map posted at Hunter Check Stations and on our website.

Please Report

- Self-reporting harvest forms are located at the North and South Welcome Stations and Hunter Check Station on the outside poster boards.
- Please report your harvest as occurring on Land Between the Lakes National Recreation Area.
- Feral hog sightings: Call 270.924.2065
- Poaching reports: Call 877.861.2457

Turkey Banding in Kentucky

Prior to the spring turkey season, the Kentucky Department of Fish and Wildlife Resources trapped and banded turkeys on the Kentucky portion of LBL to assess gobbler harvest rates and population health. If you harvest a banded turkey, please report the band number when you check out your turkey at the LBL check station and on their website at <https://fw.ky.gov/Hunt/Pages/TurkeyBand.aspx>

General Guidelines

1. Dial **9-1-1** for emergencies.
2. See something? Say something. Call 270.924.2000 or Forest Service Law Enforcement at 877.861.2457.
3. The *Land Between the Lakes Turkey Hunting Fact Sheet* is the official document that includes the hunt dates. If other state agencies indicate something different, this document has precedence.
4. You are responsible for your own safety.
5. Bring your own water and supplies.
6. For campfires, use only dead and downed limbs for fuel. Do not bring firewood from outside Land Between the Lakes, as it may introduce devastating pests. Attend the fire at all times and follow Smokey Bear's rules to put the fire out completely. During high fire danger, use fire rings in developed campgrounds only.
7. Keep all pets on a 6' or shorter leash at all times.
8. Protect yourself from biting bugs and UV sunlight.
9. Firearms are strictly prohibited except during established Land Between the Lakes hunting season by legally licensed hunters with permits.
10. Respect the Resource — leave historical items, plants, and flowers for others to enjoy. This includes respecting the homes of wildlife and our trails and roads during wet conditions.
11. Pack it in. Pack it out. Leave no trace behind.
12. See our website for *Camping Rules* and *General Hunting Rules*.

Safe Hunting Recommendations:

- **DO** know and practice safe gun handling.
- **DO** see the beard before you shoot. It will positively identify the legal target.
- **DO** wear an orange vest when carrying your turkey out of the woods.
- **DON'T** wear any garment which has red, white, blue, or black—it could be mistaken for colors of a turkey.
- **DON'T** hunt hen calls. Stalking such calls could lead to a dangerous encounter with another hunter.
- **DON'T** use a gobble call. This is dangerous and might attract careless shooters.

To protect the future of hunting, please remain courteous and helpful to our other guests at Land Between the Lakes National Recreation Area. Thank you!

Bag Limits:

- Only one turkey with visible beard is allowed in each state portion of Land Between the Lakes (LBL) during spring season and counts toward the state's limit.
- Turkeys taken by youth during the youth-only quota hunt count toward the state's spring bag limit.
- Fall archery turkey season is open during LBL's deer archery season and a one turkey of either sex per hunter per state limit applies. Fall turkey hunting with firearms is not permitted on LBL.

Reporting Your Harvest:

- All turkeys harvested on LBL must be checked at the Hunter Check Station, North Welcome Station, or South Welcome Station **before** leaving LBL. Self-check forms are available when stations are unstaffed.
- In addition to LBL harvest reporting, hunters must also comply with all Kentucky or Tennessee harvest reporting regulations, i.e. Telecheck.

Rules of the Road:

- Licensed motorized vehicles are permitted on numbered roads only. **(36 CFR 261.55(b)).** You can find these roads on our *Recreation Maps* and *Motorized Vehicle Use Map (MVUM)* online: landbetweenthe lakes.us/maps. Other roads are for administrative access only.
