

Land Between the Lakes Advisory Board Meeting

September 24, 2024

Purpose: To engage the Advisory Board on Forest Service business.

Desired Outcome: To provide updates and engage in open discussion on the following:

- Means of promoting public participation for the land and resource management plan for the Recreation Area;
- Environmental education;
- An annual work plan for recreation and environmental education areas in the Recreation Area, including the heritage program, with the nonappropriated amounts in the Land Between the Lakes Management Fund;
- An annual forest management and harvest plan for the Recreation Area; and
- The Land Between the Lakes Management Fund
