

Escape to Land Between the Lakes

& discover 170,000 acres of outdoor adventures

Located on a forested peninsula between Kentucky and Barkley Lakes in Western Kentucky and Tennessee, our **300 miles of undeveloped shoreline** provide an idyllic setting for outdoor recreation.

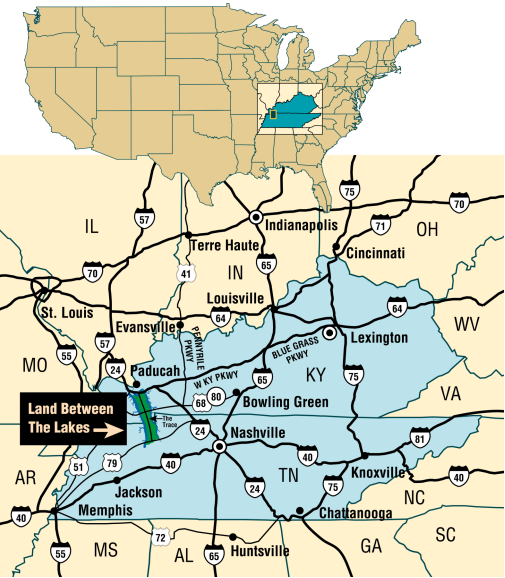

With over **500 miles of trails**, opportunities to hike, bike, and ride abound. Designated trails provide access for equestrian use, off-highway vehicles, mountain biking, hiking, and backpacking.
