DESIGN YOUR OWN QUILT PATTERN

Now that you've colored your own versions of some historical quilt patterns, you are ready to design your own. You can use the grid to help you make triangles, squares, or rectangles- but feel free to go wild because you're at Land Between the Lakes!

QUILT PATTERN CHALLENGE

We challenge you to make your favorite farm animal from the Homeplace into a quilt square. Should you accept this challenge, we invite you to share your creation with us on Facebook!
